TRAINING DAYS Tuesday 1st September 2026, Monday 4th January 2027, Monday 26th July 2027, Monday 6th September 2027

There will not be a charge for training days if you normally pay for your child's place.

Funding is received from the authority for 38 weeks a year, therefore if your child has a funded place and attends in the school holidays that we are open or the unfunded weeks there will be a charge to yourself £62 – full day/£32 – half day

If your child has a stretched all year-round place, then this will not impact on your childcare costs. If your child has an all-year-round place and you normally pay for the unfunded weeks, then the unfunded weeks plus the school holidays that we are open will be reflected on your monthly invoice.

If your child does not receive funding, you will be invoiced as normal.
